The Magic Presence

Our Beloved Messengers Mr. and Mrs. G.W. Ballard

Our Beloved Godfré Speaks

Dear, Dear People, I never knew until we came before you today how wonderful are the Hearts of mankind. Suddenly as a Mighty Burst of Glory, I seem to comprehend myself and understand that more than I ever did in the world—how wonderful are the Hearts of mankind. And once they have the opportunity to gain the Understanding of Life and what it all means, then there is not one that will not release every ounce of energy that they can call forth from their "Mighty I AM Presence" to bless each other, to bless America, and bring about the perfect conditions that mankind require for their happiness and comfort.
